

Hi Kids

*Remember
Kids Club Garden
at the vicarage!
Before we had to stay in our bubbles!*

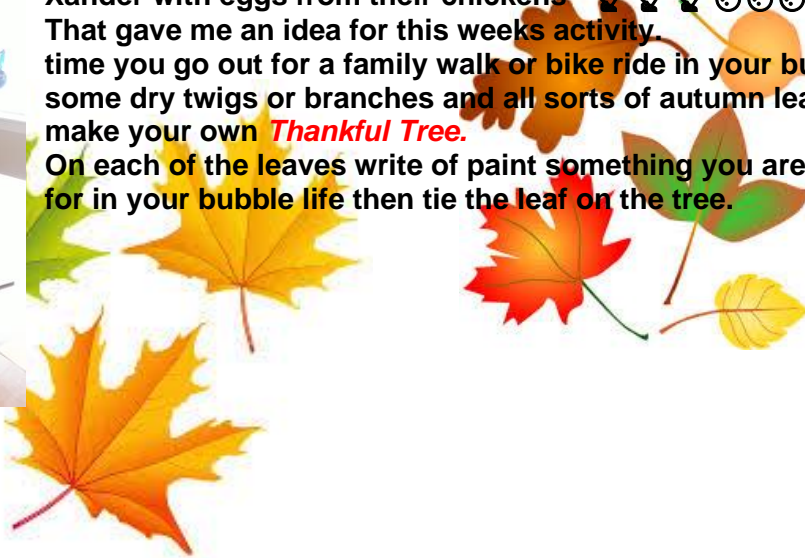

*our
Party*

Austin sent me this lovely Easter egg tree he made with his brother Xander with eggs from their chickens 🐣🐣🐣🐣🐣

That gave me an idea for this weeks activity. Next time you go out for a family walk or bike ride in your bubble, collect some dry twigs or branches and all sorts of autumn leaves and you can make your own **Thankful Tree**. On each of the leaves write or paint something you are thankful to God for in your bubble life then tie the leaf on the tree.

Don't forget to take a photo so we can all see your creation. 📷

Have fun making your tree. There are so many things to thank God for – your warm home, a cosy bed, your favourite food, a good book, a God loves to give you good things, lets see what you can thank Him for.

Thankful Tree

al Fall Leaves

are so many warm home. good book lets see what
