**St Alban's contact list** We are reviewing our St Alban's contact list. If you live locally and have or have had a connection with St Alban's you will receive a phone call in the New Year (if not already), to check contact details and offer the opportunity to "opt in" to a proposed new St Alban's family phone book. We're also exploring local contact groups to help people keep in touch with one another. Please call the office if you don't think you're already on our contact list.

**St Alban's buildings** The website's "Seismic Scoop" page on our website is a good place to keep up-to-date with the latest on our buildings, as we continue the process of consultation and explore options for earthquake strengthening / redevelopment.
